3. Condition of the Goods

The Goods have been removed from service and are not serviceable in their present condition but may be refurbished. The Goods are offered for sale strictly on an **AS IS** basis.

4. Storage and Collection Location

The Goods are stored in separate sealed wooden crates at IEC's Rutenberg Warehouse, Israel. The Successful Participant shall collect the Goods from this location on an EXW basis. The exact collection point, access instructions and collection arrangements shall be provided by IEC following the notice of award and shall be subject to prior coordination and IEC's security and operational requirements.

5. Limitation of Information

The information set out in this Annexure constitutes the technical and identifying information currently available to IEC. It is provided for general identification purposes only and shall not be regarded as a complete technical specification, a representation regarding the current condition of the Goods, or a warranty of fitness for any particular purpose.

Participants are responsible for assessing the suitability of the Goods for their intended use based solely on the information included in the Tender documents.

Participant's Acknowledgment

The Participant hereby acknowledges and confirms that:

- 1. It has reviewed the information contained in this Annexure.
- 2. It understands that the information provided by IEC is limited to the information currently available to IEC and is provided solely for identification purposes.
- 3. It acknowledges that the Goods are offered for sale on an "AS IS, WHERE IS" basis, without any representation or warranty, express or implied.
- 4. It has relied upon its own review, assessment and judgment in deciding whether to submit an offer.
- 5. It shall have no claim against IEC arising from any inaccuracy, incompleteness or omission in the information contained in this Annexure, except in the case of willful misconduct by IEC.
