IEC Ref. no. 930-104059590-2026

Dear Sir/Madam,

Subject: Clarification Notice – Purchasing Process No. 104059590

1. IEC hereby clarifies that the contract period shall be structured as follows:
Base period: one (1) year;
Extension options: up to four (4) optional periods, each of one (1) additional year, to be exercised at IEC's sole discretion.
2. Bidders are required to submit, together with their proposal, **one identical sample of the split line hose and one sample of the bird protection cap (one of each type)**, according to their selection, as detailed in Section 2.7 of both technical specifications.

IEC reserves the right, at its sole discretion, to allow a bidder who did not submit the samples within the required deadline, to submit them at a later date, **not later than 30 days after the deadline for submission of proposals.**

Failure to submit the required samples within the specified timeframe **may result in disqualification of the proposal.**

Note:

Samples shall be delivered to **Gan Sorek Warehouse**, to the attention of

Mr. Dror Shami - dror.shami@iec.co.il

3. **The final date for submission of bids is:** July 5th, 2026, 11:00 am, sharp.

Sincerely,
Eran Radenski
Tender Manager
Israel Electric Corporation
